

Grand Teton National Park

Working with Wyoming

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

7 national parks

6,307,997 visitors to national parks (in 2010)

\$570,480,000 economic benefit from national park tourism (in 2009)

512 National Register of Historic Places listings

\$14,903,721 of historic rehabilitation projects stimulated by tax incentives (since 1995)

118,217 hours donated by volunteers (in 2010)

6 National Natural Landmarks

24 National Historic Landmarks

\$33,849,595 in Land & Water Conservation Fund grants (since 1965)

793 federal acres transferred for local parks and recreation (since 1948)

\$17,857,718 in historic preservation grants

13 community conservation and recreation projects (since 1987)

1 World Heritage Sites

481 historic places documented by the National Park Service

5,374,332 objects in national park museum collections

5 threatened and endangered species in national parks

2,042 archeological sites in national parks

23 Certified Local Governments

1 Teaching with Historic Places lesson plans

These numbers are just a sample of the National Park Service's work. Figures updated 12/2010.
